Gentlemen:

[REDACTED]
[REDACTED] made a suggestion to me which she says some other Congressman has made public and the suggestion was that the bill for the bringing back of the Jim Jones church members should be paid from the assets of the church if at all possible, and that seems to be a very logical thing to do and I hope it can be done. Can something be done to bring this to pass?

With kindest regards, I

Sincerely,

Charles E. Bennett
